WHEREAS, Pickett County Schools is an educational community that serves a student population of 618 students, with 46% of those coming from economically disadvantaged backgrounds; and

WHEREAS, Pickett County Schools offers an array of specialized programs including special education services, career and technical education training aligned with local workforce needs which are invaluable for meeting both individual student needs and the Tennessee Constitution's requirement of a free and public education; and

BE IT FURTHER RESOLVED, that Pickett County Board of Education urges the Tennessee General Assembly to consider the effects that Education Savings Accounts will have on local school districts and to instead seek out ways to support and strengthen public schools throughout the state.
