

## **RESOLUTION OPPOSING GOVERNOR LEE'S EDUCATION FREEDOM ACT**

**WHEREAS**, the Constitution of the State of Tennessee, in Article XI, Section 12, states that the Tennessee legislature "shall provide for the maintenance, support, and eligibility standards of a system of free public schools;" and

**WHEREAS**, the fulfillment of this constitutional guarantee is heavily reliant upon adequate state funding, which is vital for equipping schools with the necessary resources to serve the various needs of Tennessee's students; and

**WHEREAS**, the Wilson County Board of Education is charged with governing the school district so that all students, regardless of background, needs, or ability, receive the best possible educational opportunities in order to graduate prepared to enter a postsecondary institution or the workforce; and

**WHEREAS**, Wilson County Schools is an educational community that serves a student population of 20,469 students, with twenty-four percent (24%) of those coming from economically disadvantaged backgrounds; and

**WHEREAS**, Wilson County Schools offers an array of specialized programs including special education services, career and technical education training aligned with local workforce needs, award-winning fine arts programs, English as a second language services, virtual school programming, and many other exceptional programming options which are invaluable for meeting both individual student needs and the Tennessee Constitution's requirement of a free and public education; and

**WHEREAS**, Wilson County Schools is a cornerstone of the local community, not only providing education services to all students regardless of background, need, or ability, but also employing 3,668 staff members;

**WHEREAS**, Wilson County Schools is committed to maintaining local control over its schools, ensuring that they are reflective of the community's needs and values; and

**WHEREAS**, Education Savings Accounts (ESAs) threaten the district's ability to maintain the quality of its educational offerings as ESAs would divert state funds to private actors and disrupt local control of education.

**NOW, THEREFORE, BE IT RESOLVED**, that the Wilson County Board of Education hereby expresses its opposition to the Governor's "Education Freedom Act" as well as any other voucher or Education Savings Account legislation due to the detrimental impacts these programs will have on our students, schools, and community, and

**BE IT FURTHER RESOLVED**, that the Wilson County Board of Education urges the Tennessee General Assembly to consider the effects that Education Savings Accounts will have on local school districts and to instead seek out ways to support and strengthen public schools throughout the state.

THIS RESOLUTION is adopted as of this 4th day of March, 2024.
